Session 3 - Changing the Definition of Intimacy

1. When you think of intimacy with God, what do you think of? How is it the same and how is it different than how you think of intimacy with a person?
2. Have you ever thought of intimacy with God as fostering a romantic, more-than-friends type of love with God? Why or why not?
3. Why do you think it can feel strange to think of God in a romantic way when the Bible is filled with passages talking about how God wants to marry us? Do you think the awkwardness of that thought has anything to do with humanity being spiritual children not ready for spiritual marriage?
4. Is it easy or hard for you to believe that God would want to marry you? Why do you think God is opening a oneness union with anyone who wants it and not just a select few?
5. How does it make you feel to know that God has been carrying a picture of you in a locket around his neck so that he can constantly remind himself of his affection for you?
