1. What makes someone beautiful spiritually? Is it their virtues? Their superhero feats? Or something else? (*See Living Loved* pp. 140-141.)
2. Is it possible for God to be deeply in love with you without you realizing it? Why? (*See Living Loved* pp. 141-142.)
3. Why is God better off married to you than he was without you? (*See Living Loved* pp. 142-143.)
4. Why do you think God blinded people's eyes to certain parts of his love for them in past generations? Why is God opening our eyes to the fullness of his love now? (*See Living Loved* pp. 143-144.)
5. Why is God's love--including romantic love--not earned? Why are we able to fully connect with it no matter what we've done and what negative emotions are flowing from us? (*See Living Loved* pp. 144-145.)
