Session 12 - Learning How to Experience Love

1. Have you ever been in love? If so, what was your favorite part?
2. Of the ten ways Katharine shared in this chapter that being in love with God can feel, which one stood out to you the most? Why? Have you ever felt that way about God?
3. Which do you think came first--romance in heaven or romance on earth? Do you think our spirits are mimicking something our bodies are capable of? Or do you think our bodies are living in an earthly shadow of something our spirits are capable of?
4. Why do you think our spirits are able to enjoy romance with God's spirit? Why is God capable of romance? Why is it better than we're able to enjoy romance fully--body, mind, spirit--rather than have it limited to part of our being?
5. How can being in love with God expand our heart's capacity to experience God and enjoy his love in a greater way?
