Session 1 - Why Now?

1. In what role(s) have you known God? For example, have you known God as Father, Friend, Brother, Lord, Husband, etc.?
2. Why do you think God created a type of love--marriage love--that cannot be enjoyed until maturity? Why can every other type of love be experienced from childhood on, but marriage love cannot be entered into until a person matures?
3. What was revolutionary about Jesus calling God his Father? How was that role different from knowing God as Lord?
4. How is calling God our Spouse different from calling God Father?
5. Why do you think God plans a major shift in what we call him and how we experience him as we leave the church age and enter the next age? Can we move into a new way of relating to God without advancing our understanding and experience of him?
