Homework: Breathing Exercise 7: Heart Breath

Deep breaths through your heart

How

- Take a deep breath, inhaling through your nose. (Think: Sniff a flower.) Then exhale slowly through your mouth. (Think: Blow out a candle.) Inhale for four seconds and exhale for four second.
- Picture the breath going in and out of your heart. Or picture the breath going in and out of the area above and near your heart in your spiritual body/spiritual realm.
- Take 3-5 deep breaths.

When

Three times a day—morning, afternoon, and evening. Even better, breathe deeply like this whenever you think of it throughout the day—waiting at a stoplight, sitting at your desk, talking to someone.

Why

This breath opens your heart area to give and receive from God in the spiritual realm.

Caution: Some people may have unpleasant thoughts or memories come to mind while doing this exercise. If that happens to you, refer to the “What to do if You’re Triggered” section.
